

The wood spirit from the Cognac's area.

Splendour of the oak, mild climate and know-how are the soil ingredients of Cognac.

Located in this Area, EB&NE Veneers is the specialist of Flexible Wood Veneer Decorative Solutions.

Led by the Soul of this unique place, women and men of EB&NE Veneers transform Veneer Species to dress, protect and sublimate your creations.

Meet our team who brings their expertise all around the world, helping you to smoothly integrate the wood in your projects, whatever your activity field is.

Emmanuel Barbeau
